IMPORTANT PUBLIC HEALTH ADVISORY

To: Local Millis Businesses

Date: 12/21/21

Subject: Mask Advisory

Cases of COVID-19 have been increasing statewide and in the Town of Millis for the last few months. Therefore in the interest of public safety¹, the Board of Health is advising all indoor public spaces to consider requiring employees and patrons to wear a mask. The Advisory should include all individuals over the age of two to wear a face covering in all indoor public spaces, houses of worship and private spaces open to the public except where an individual is unable to tolerate a face covering due to a medical condition or disability. The Advisory does not limit activities. Nor does it place any new spacing requirements or capacity limits on these locations.

Please contact the Board of Health if you have any questions about this Advisory. We appreciate your support as we work together to end this pandemic.

Sincerely,

John McVeigh
